

Westergaard Kennels, Inc

Administration of Prescription Medications Release of Liability Waiver/Agreement

All Medications must come to the kennel in the original prescription bottle from the vet.

All medications must be approved by Westergaard Kennels PRIOR to boarding.

No insulin shots will be offered during stay.

No Flea and Tick or Heartworm/Internal parasite control will be offered during stay.

No medications for Chemo or other cancer treatments will be offered during stay.

No eye drops will be offered during stay.

No antibiotics for respiratory infections will be offered during stay.

There is a \$2.00 charge PER DOSAGE for EACH medication.

Westergaard Kennels cannot be responsible if your dog refuses medication. We offer Pill Pockets and Liverwurst as options for dosing pills, tablets, etc.

(We do not "stick pills" down any dog's throats)

Westergaard Kennels cannot be responsible for any side effects of any medications or supplements that may result.
